

## Guide to parental controls on iPad

### 1. iPad settings

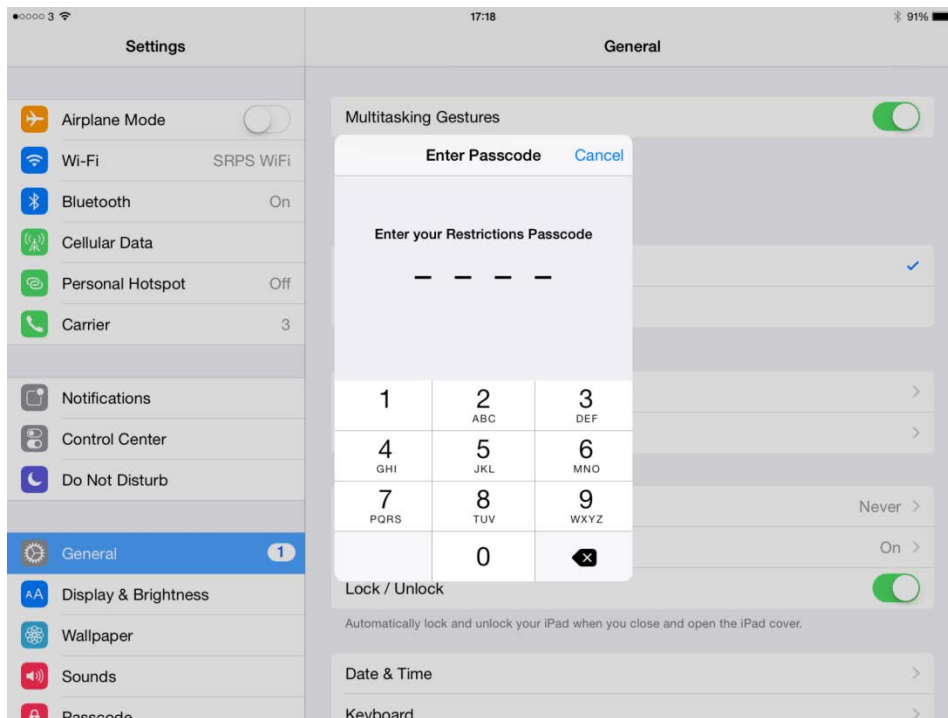

Go to **Settings** >> **General** >> **Restrictions**

Go to **Settings** >> **General** >> **Restrictions** >> **swipe left** to restrict access to the apps and devices on your iPad.

Go to **Enable Restrictions** >> then set a **Restriction Passcode**

Then set what you would like to **restrict** by **swiping right**.

Scroll down and tap *Specific Website Only*
