

## Review of Sports Premium Action Plan 2016-2017

Area of Focus	Evidence	Action	Funding breakdown	Planned Impact	Evaluation and Review
Strengthen cluster and community links.	Some participation in intra school competitions. Pupil voice-children have expressed they would like to compete against other schools.  PLT- colleagues from local school have expressed similar views.	Continue to participate in; . Plumstead Manor League . Thomas Tallis fixtures and events	Attendance at 3 x termly PLT meetings £600  Plumstead Manor league £50  Marking of Plumstead Common for annual sports day £150  Thomas Tallis League £650	Creating intra school competitions will lead to greater levels of participation. This level of competition ensures school values are reinforced at greater levels i.e. team work, effort and co-operation. Skill levels will also increase as children will take part in a sporting team over a longer period of time.	The children took part in several competitions and inter school events. Children are very aware of the importance of team work, showing good sportsmanship and reflecting our school values at all events. We will endeavour to continue with this in the next academic year.
Increase participation in after school clubs which are run by specialist coaches.	Look at pupil registers from 2015-2016 noting numbers. Pupil voice to determine coaching activities	Employ coaches from . Greenwich Cricket . Charlton Football . tag rugby . taekwondo	Total cost of cricket and football coaching £6000  Cost of tag rugby £400 Cost of Taekwondo £TBC	Increased levels of participation in after school activities. Increased numbers of children attending out of school clubs.	Coaches were employed and the take up for after school clubs was very high. Taekwondo did run but was less successful due to the cost. Children have enjoyed having the opportunity to attend a variety of after school clubs. We will continue to offer a variety of clubs in the next academic year and hope to introduce even greater variety.
Provide Cycling Proficiency Course for Years	Pupil voice-children have indicated that they	Contact Greenwich Council to organise a	Free	Completion of the course will enable children to cycle with a greater awareness of safety.	The children who took part in the programme thoroughly enjoyed it and are very aware

5/6.	wish to be able to cycle safely to school.	course to run over the year.		Minimise levels of road accidents involving cycling.	of road safety when cycling. Cycling proficiency is something we would aim to continue with next year.
Provide quality assured professional development for relevant teachers.	Staff feedback has highlighted interest in developing different areas of the P.E. curriculum. P.E lead is keen to attend P.E. termly meetings to keep up to date with current developments.	Determine courses that are running this year and enrol relevant teachers.  P.E. lead to attend 3 x termly meetings.	Attend P.E. meetings £600	Teachers will be able to feedback high quality practice.  Enhanced quality of teaching and learning.	Staff received two whole school professional development sessions linked to PE this year. Key members of staff also attended dance sessions linked to our whole school project – Rhapsody in Blue. Staff have implemented new ideas and this has led to improved PE provision.
Update and purchase new resources for the whole school. (play/lunch time )	Audit of resourcing reveal that playground equipment requires renewal.	Audit resources. Purchase new equipment	Cost £1500	Safer playing environment. Quality, safe equipment for children to use. Reduction in behavioural incidents.	There is a range of good quality PE resources available. Due to normal wear and tear, this will have an on-going cost implication.
Increase the opportunities For children to take part in Competitive sport.	School registers. Copy of fixtures lists	Join the Plumstead, Tallis and Thamesmead leagues. Take part in Greenwich fixtures. Encourage greater intra- competition.	Plumstead Manor league £50  Thomas Tallis league £650	Increased pupil participation and enjoyment. Positive behaviour and fair play enhanced. Reinforcement of school values. Improved attitudes towards health and well-being.	The children took part in several competitions and inter school events. Children are very aware of the importance of team work, showing good sportsmanship and reflecting our school values at all events. We will endeavour to continue with this in the next academic year.
Increase participation in school P.E. lessons with children wearing appropriate P.E. kit.	Observations have shown a number of our children do not have the correct P.E. kit for lessons.	Purchase tracksuit bottoms and tee-shirts.	Cost £200	Children will be wearing the right kit during lessons.	Where necessary children have been provided with appropriate clothing. This has ensured that all children have taken part in PE lessons regularly and we have been able to target those children who do not participate regularly.
