

School Development Plan 2021-2022

Curriculum

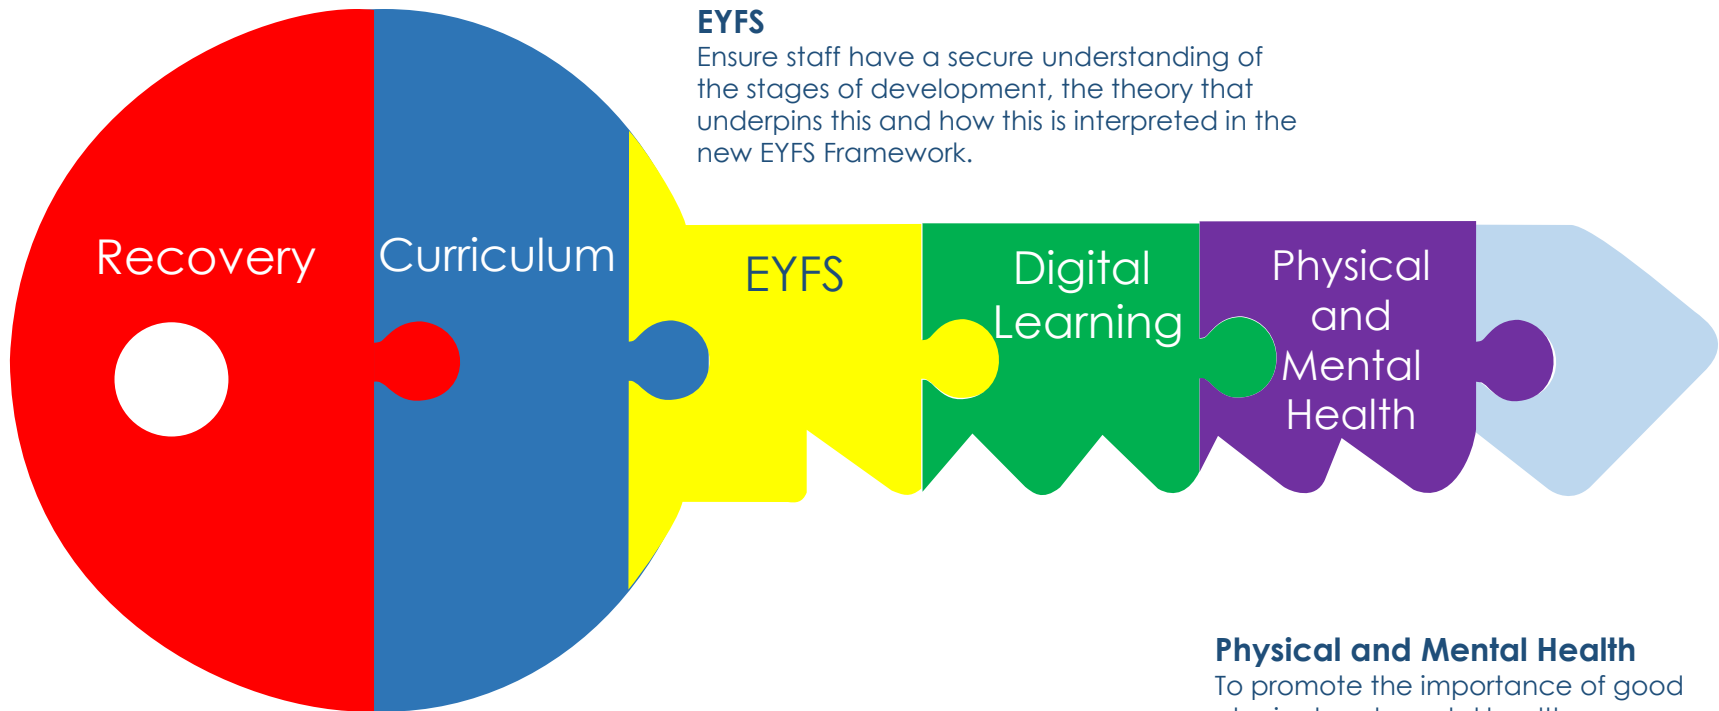

To review the curriculum to ensure children's experiences are enriched and enhanced thus deepening learning across all subjects.

Digital Learning

To utilise digital technology to maximise learning opportunities

EYFS

Ensure staff have a secure understanding of the stages of development, the theory that underpins this and how this is interpreted in the new EYFS Framework.

Recovery

Staff to have a secure understanding of the whole child and how current research impacts on teaching and learning thus empowering children to take ownership of their learning, and close attainment gaps.

Physical and Mental Health

To promote the importance of good physical and mental health and recognise the part it plays in overcoming challenges.
