South Rise Primary School Weekly Newsletter

Dear Parents/ Carers,

It has been a very short but incredibly busy week at South Rise. Year 6 children have had a fantastic week in Wales on their School Journey. They have experienced rock climbing, raft making, gorge walking and lots of other activities. There are some great photographs on our Twitter feed and we have received some really lovely feedback from the staff at the centre. Those children not in Wales had a fantastic, but tiring day out today, 'bouncing' at Gravity in Bluewater.

On Tuesday as part of our staff training, teachers were looking at ways to develop the maths curriculum further at South Rise. Staff were focusing particularly on ways to ensure children have a secure understanding of number and ways to develop children's ability to explain their thinking. This will form part of our maths focus for next term and for September.

Have a lovely weekend,

Mrs H Brown
Head Teacher

Asthma Pumps

Children who suffer with asthma must have a 2nd pump prescribed by the doctor which is kept in school for use during the school day. We would be grateful if parents also send in a spacer to use with the pump. Pumps are vastly more effective when used with a spacer. Your doctor should prescribe them as standard with any pump if not, please request one.

Summer Fayre - Wednesday 20th June

Please send in your donations for raffle prizes, bottle and sweet tombola's, small change for the money tree, good quality toys and teddy bears, bric-a-brac and any unwanted gifts. Raffle tickets will be on sale in the playground before school from Monday 11th June. On the morning of the fayre we would appreciate donations of cakes and samosas. We look forward to seeing you there!

Lunchtime Debate

This week's question for consideration is:

“Should reporters be free to report news without a threat to their lives?”

Quel temps fait-il ?
(kel tah fay-teel)

What is the weather like?
