Dear Parents and Carers,

It has been a busy week at South Rise for art and DT. Children have been working hard on a range of different curriculum projects. Year 6 have created 'Utility vests' for DT from bags kindly donated from IKEA. They used paper patterns and developed their sewing skills by adding on pockets. The final pocket designs will be completed next week.

Children in Nursery and Reception have been exploring Transient art using Autumn leaves and seeds. Transient art means that it isn't stuck down and the patterns and designs are constantly changing – it is really easy to do at home.

Year 4 children have been creating Roman relief tiles out of clay. They have looked carefully at original tiles and created their own fantastic designs.

Finally, don't forget that the school photographer is in next Thursday. All children will have their photograph taken and bring home a 'proof' for you then to order any photos you may want to purchase.

Have a lovely weekend,

Mrs H Brown

Wear Red Day – Show Racism the Red Card

Thank you to everyone who sent their children to school wearing an item of red clothing today for the 6th annual 'Wear Red Day' event. Funds raised nationally on 'Wear Red Day' enables education and campaign workers to work with more young people and adults across the UK to challenge racism in society.

Unity Project - Support for families with Nil Recourse to Public Funds

Please follow the link on the news feed of our website if you have Nil recourse to public funds and are in need of financial support. The Unity project will support families to apply for the condition to be removed.

Value of the Month

Our value this month is **Tolerance**.

Tolerance is when you accept others who are different in their race, culture, habits, and even beliefs.

It means accepting your friends for who they are and enjoying playing with them even if they are different from you.

Children with a high temperature

If your child has a high temperature, even if the symptoms do not last for long, you must book a coronavirus test.

Children with a runny nose or normal cold can still come to school unless they are really unwell.

Please check the guidance letter that was emailed out to parents.

If your child has:
a high temperature
a new, continuous cough, or
a loss of, or change in, sense of
smell or taste

This could be a sign of
coronavirus

Book a test

If your child has:
a runny nose, is sneezing or
feeling unwell
But they don't have:
a high temperature
a new, continuous cough, or
a loss of, or change in,
sense of smell or taste

**These are
not normally symptoms of
coronavirus**

Seek advice from a pharmacy, dial
111 or see your GP
