#### Term 5

Mon 20th Apr-Fri 22nd May 2020

#### Term 6

Mon 1st June-Tues 21st July 2020

#### Inset Days

Mon 1st June 2020

Mon 20th July 2020

Tues 21st July 2020

#### Bank Holiday

Fri 8th May 2020

Dear Parents and Carers,

It has been a very busy week at South Rise. As you are aware, we received an Ofsted Inspection this week. Thank you to everyone who took the time to complete the Parent View Survey regarding the school. As soon as we receive the report, we will share it with you all.

Today Year 4 children visited the Science Museum to support their science learning. The children had a wonderful day and have lots of information to bring back to their learning in class. Our Nursery children have been making and tasting lots of different foods, including melon and pizza! The pizzas were absolutely delicious.

Thank you to everyone who attended the Year 4 parents meeting regarding the trip to Norfolk. It promises to be a fantastic trip. There are still some places available; please speak to Mrs Hewes or Mrs Sanders if you would like to know more.

Have a lovely weekend,

**Mrs H Brown**  
Head Teacher

**Mrs S Powell**  
Executive Head Teacher

### **Outstanding Payments**

Please can any outstanding payments for school dinners, breakfast club after school sports clubs and Kool kids be made on SIMS PAY as soon as possible.

### **After school sports club's**

After school sports activities this term have started this week. Please make sure your child is collected by an adult on time.

### **Cold Weather**

Now that the weather has turned much colder, can you please ensure your child comes to school wearing a warm waterproof coat, hat, scarf and gloves. On wet days, if your child wears their boots to school they must bring their school shoes to change in to.

### **The Late Room**

The late room is now in the Science room, which is next to Mrs Brown's office. If the main gate is shut and you are late collecting your child you will need to come to the main reception to collect them.

## ATTENDANCE

Well done to 5SC for achieving 97.4% attendance this week!

Whole school attendance was **95.42%**.

Class attendances were:

**KS1 1HT 96% 1AC 94.8% 1RS 95.2%**  
**2LS 94.5% 2RW 95.5% 2CK 95.9%**

**KS2 3AJ 96.9% 3JC 95.2% 3EH 95.8%**  
**4JR 95.2% 4CD 95.5% 4SH 95.5%**

**5ND 95.3% 5RG 96.4% 5SC 97.4%**  
**6YC 94.8% 6LW 96.8% 6LS 95.9%**

Thank you for realising the importance of sending your child to school every day.

## Reception Little Pigs Theatre Trip

Reception visited Under One Roof to see the production of The Three Little Pigs. The children laughed lots and enjoyed joining in with key phrases from the story. There was even an opportunity for the children to build the houses for the pigs and all the children made a pig puppet.

## Year 4 Science Museum Trip

Year 4 had a fantastic day exploring all things electrical at the Science Museum! Curiosity has reached record levels!

## Charlton Athletic

On Sunday, March 22nd, Charlton Athletic Women take on London Bees at The Valley (2pm kick-off).

The Women's team will be looking to set a record for our highest crowd in over 15 years and as part of the Schools Partnership, they would like to invite our school to attend the game.

They will be providing every student up to two tickets which they can get for free from here the website below:

## The Sun Newspaper - Books For Schools campaign

Please could parents bring into school The Sun Newspaper Books For School's vouchers.

READ all about it! The Sun is giving away £12 million-worth of books as part of our amazing Books For Schools campaign, which launches this weekend.

The giveaway will see each primary school that signs up receive a FREE box of books containing more than 100 titles, worth £600.

Each box will also contain bonus picture book There's A Snake In My School, by No1 best-selling author David Walliams.

Our Value is  
Perseverance

Please make all payments online on **SIMS PAY**

## Compass News – Horn Park School Focus

At Horn Park, Forest School plays an important part in the learning experience of every child across the school. Through a hands-on experience in an outdoor learning environment, it develops their understanding of the natural world whilst building confidence and self-esteem. In their directed exploration, children develop to be active citizens in the environment and to understand the natural world they live in.

In Year 5 this week, children looked at the artist, Friedensreich Hundertwasser. He believed nature to be our most precious asset and the source of universal harmony, rejecting straight lines, because these do not exist in the natural world. Children studied his works as well as their environment and created their own pieces of art, describing the juxtaposition between physical and human features and how they visually represent the balance of nature within the world we live in.
