## South Rise Primary School

### Weekly Newsletter

Dear Parents/ Carers,  
Firstly, our new school roof was completed at the beginning of this year. We thought you might like to see the aerial view of the completed works.

It has been a very busy week at South Rise. As part of their learning about The Tudors, Year 4 children had a fantastic visit to the Globe Theatre. The children learned lots of new information and had a great day. Mrs Gambier would particularly like to thank all of the parents who came along to offer their support; it was very much appreciated.

Yesterday a group of parent and children volunteers worked incredibly hard to develop our garden and our outdoor learning spaces. They planted a range of fruit and vegetables; hopefully there will be further opportunities to continue this as the weather improves. Next Tuesday we are holding a parent meeting to give information on how to support you child at home with IT and computing. Miss Taylor looks forward to seeing many of you there.

Have a lovely weekend,

#### **Breakfast Club**

We are pleased to announce that from September 2018 our Breakfast Club will start at the earlier time of 7:30am. Further details will follow shortly.

#### **Fruit Shop**

Fruit sold at break time is priced at 20p per item. Please can you give your child the correct money per day. Now that we have gone cashless we are struggling to give change to children who bring £1 coins.

#### **Parents' Meetings at South Rise**

Below is a list of meetings available for parents and carers to attend. The meetings are designed for you to understand in greater depth how your child is taught certain subjects in school or how you can help your child make progress at home. We would love to see as many parents as possible.
